Get Ready. Get Set. Go Gigabit!

Up to £3,000 off your upgrade!

TwistedPair is helping SMEs throughout the UK improve their connectivity with gigabit-capable speeds at affordable costs.

Full fibre broadband offers the fastest and most reliable speeds. The UK Government is committed to a vision of a full fibre Britain and in March 2018, they announced the £67million Gigabit Broadband Voucher Scheme.

VOUCHER SCHEME**

 **24Seven**

Working with a trusted supplier we are offering a Gigabit Voucher worth up to £3,000 towards the cost of a leased line installation.

But why go gigabit?

Faster and more reliable than broadband, gigabit gives a secure and dedicated connection.

Your business can capitalise on unlimited data usage for bandwidth-hungry new technologies such as cloud apps, VoIP and other hosted services.

- Upload as fast as download, no slowdowns or buffering
- No sharing - your own un-contended fully fibre connection
- Flexible range of speeds from 100Mbps up to 1Gbps+
- 24/7 UK support
- **FREE Installation** - you only pay the VAT

Eligibility

- Small to medium sized enterprises, with 249 employees or less
- Must not have received over £200k state funding (De Minimis) in the past 3 years including this voucher
